Expressive Art & Design	<p>Music: Let's jam This unit is all about developing our love for music, exploring different sounds and instruments, as well as playing together as a 'band' and in small groups. In a culture where often being a 'singer' or a musician is associated with TV auditions, pop stars, and celebrities, we want to emphasise the importance of enjoying music for music's sake! There's so much joy to be found in taking part in ensembles, singing together, and freedom in playing freely through improvisation. Having fun making music can have a huge impact on the cohesion of your class, and the wellbeing of the children.</p> <p>DT: Structure: Textiles: Collaging farm animals 3D form: Playdough animals Structure: butterfly spiral Junk Modelling (CP) Creative Table (CP)</p> <p>Art: Drawing: Farm animals Printing: Farm animal foot prints 3D form: Tractor models</p> <p>Junk Modelling (CP) Creative Table (CP)</p> <p>Dance & Gymnastics</p>	<p>Music: Let's jam This unit is all about developing our love for music, exploring different sounds and instruments, as well as playing together as a 'band' and in small groups.
