Statement of intent

Oswald Road Primary School recognises that its premises are valuable to the local community and as such, we are pleased to let the premises out to local organisations.

Though we let the premises out, the school is aware that this can pose certain concerns, such as in terms of safeguarding, so this policy is to be distributed to all organisations that wish to let the premises and the conditions outlined within it must be followed at all times.

There is also important information that this policy communicates to organisations who let the premises from the school, such as health and safety matters and insurance arrangements.

2. Definitions

For the purpose of this policy, a “**letting**” is defined as any use of the premises by either the community and community groups, e.g. a football club, parents for parties or a commercial organisation.

The school will let out its premises; however, the letting arrangement will not interfere with the primary activity of the school, which is to provide a high-quality education and safe teaching environment.

Use of the premises for activities such as staff meetings, parents' meetings, governing board meetings, out of school hours learning support activities or any other extended services which support the raising of attainment and achievement, fall within the corporate life of the school. Costs arising from these uses are, therefore, a legitimate charge against the school's delegated budget.

When letting to commercial businesses, the school will first seek the permission of their LA. Depending on certain conditions, the LA may recommend the school inform the DfE of the letting, e.g. if the letting was during school time. The contact information for the DfE is: schoolsassets.capital@education.gov.uk.

3. Roles and responsibilities

The governing board will be responsible for:

- Costs of staffing, including "on-costs" (e.g. additional security or caretaking)
- Costs of administration
- Costs of wear and tear

- Costs of insurance (if the school has arranged its own public liability insurance – see the hire terms and conditions)
- Costs of using the school's equipment, if applicable
- Profit element, if applicable

The charge issued for each letting will be reviewed annually by the governing board.

The review of charges will take place in the Summer term, for implementation in the beginning of the next academic year, taking effect from 1st September that year.

Current charges will be provided to the governing body in advance of any lettings being arranged.

A charging tariff may be established to ensure that access is affordable for particular individuals and groups.

The remaining amount will be paid to the school on or before the requested booking date.

Hirers will provide the school with at least ten days' notice before cancelling a booking for a full refund.

If hirers fail to provide sufficient notice, the school will keep the hirers deposit.

If the whole fee has not been paid, the school reserves the right to refuse the hirer entry to the premises.

In the event any fees are outstanding after the hirer has used the premises, their organisation will be barred from using the school facilities until the full amount has been paid.

There will be a grace period of 30 days for payment to be made, after this period, if a payment hasn't been made, the school will seek additional legal advice for payment to be recovered.

Charging rates for 2023/24 see appendix 1

5. Managing lettings

The governing board will have overall responsibility for the management of lettings.

The headteacher will be delegated the day-to-day management of the lettings; however, they will not be responsible for the administrative roles, such as setting charges, this role stays with the governing board.

The headteacher may delegate aspects of the management of lettings to other relevant members of staff, such as the site manager/School Business Manager

If the headteacher has any concerns regarding the activities the hirers are conducting, they will consult the governing body and reach a decision together.

Organisations wishing to hire the premises will complete an enquiry form that is sent to the School Business Manager, who will identify their requirements and clarify the facilities available.

The governing body will review the application; they have the right to refuse an application and interested parties should be advised that no letting should be regarded as “booked” until approval has been given in writing.

Once the letting has been approved by the governing board, a letter of confirmation will be sent to the hirer, setting out the full details of the letting and enclosing the terms and conditions of the hire agreement.

The hirer will be invoiced for the cost of the letting as appropriate in accordance with the rates agreed by the governors #Appendix 1

The hirer will be a named individual and the agreement should be in their name, giving their permanent private address.

All lettings fees that are received by the school will be paid into the school’s independent bank account, to offset the costs of services, staffing etc., (which are funded from the school’s delegated budget).

Fees can be paid in by bank transfer.

The SBM will provide the hirer with the relevant bank details.

Sub-letting of any kind is strictly prohibited. If the school receives any evidence pertaining to plans to sub-let, all bookings that the hirer has made will be cancelled and deposits retained.

Pre approved lettings listed in Appendix 3

6. Safeguarding

The school will ensure that appropriate safeguarding arrangements are in place when letting school premises or facilities that involve work with children. Organisations submitting a lettings request involving working with children and/or young people will submit a signed copy of their current safeguarding policy.

Where the hiring of school premises or facilities for work with children, regardless of whether the children are on the school roll, is directly supervised or managed by school staff, the hirer will abide by the school’s safeguarding arrangements.

Where the services are provided separately by another body, the Club Lead and School Business Manager will seek assurance that the body concerned has the appropriate safeguarding procedures in place. The school will inspect the provider’s safeguarding policy prior to the commencement of the letting.

Hirers will be expected to adhere to the DfE’s [‘After-school clubs, community activities and tuition: safeguarding guidance for providers’](#).

The school will ensure that safeguarding requirements are communicated with the hirer prior to the letting. This will be included in the school’s hire agreement document.

Failure to comply with the school’s safeguarding conditions will lead to the termination of the hire agreement.

Any safeguarding-related allegations against organisations or individuals who have hired the school premises will be managed in line with the school's Allegations of Abuse Against Staff Policy.

All hirers will state the purpose of the hire.

Each application will be vetted by the DSL and any concerns will be reported to the governing board prior to approval.

When determining whether to approve an application, the governing board will consider the following factors:

- The type of activity
- Possible interferences with school activities
- The availability of facilities
- The availability of staff
- Health and safety considerations
- The school's duties with regards to the prevention of terrorism and radicalisation
- Whether the letting is deemed compatible with the ethos of the school

An application will not be approved if the hirer's purpose:

- Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the trust, balanced or outweighed by freedom of expression of artistic merit).

If any members of staff have concerns regarding the purposes for which the hirer is using the facilities, they will contact the headteacher immediately.

The headteacher will file an incident report form if they have reason to believe that the letting has been used for political purposes not previously authorised, the dissemination of inappropriate material or any other purpose that contravenes the Prevent duty.

Where an individual group is found to be promoting views in contravention of the school's Prevent duty, this will be managed in line with the school's Prevent Duty Policy.

All hirers will read and review the school's Child Protection and Safeguarding Policy.

7. Asbestos

The school's Asbestos Management Plan will be available to hirers.

The site manager will inform all hirers of any asbestos-containing materials (ACMs).

When approving the applications to hire the premises, the site manager and the headteacher will conduct a risk assessment to establish whether the requested purpose of use will disrupt any ACMs.

The known ACMs on the school's premises are: The school currently has no known ACMs

The site manager will ensure that the hirers have access to the school's asbestos management survey.

The site manager will ensure that the hirers have access to the school's Asbestos Management Plan.

If the school finds that there has been, or may have been, an unplanned disturbance of asbestos, the following action will be taken:

- The hirers will be informed by the governing board immediately
- All activities will stop, and everyone will be evacuated from the affected area
- Staff, pupils and visitors will not be allowed to re-enter the affected areas until any necessary remedial action has been taken
- Items, including equipment, books, or personal belongings, will not be moved from the area
- Advice will be sought from an asbestos expert regarding remedial action

Hirers should have procedures in place to deal with the unintended or unexpected release of asbestos.

Anyone who has come into contact with asbestos, and is concerned about their exposure, will be advised to contact their GP.

The school's AMP will detail the procedures for staff to follow in the event of an incident, and this will be communicated to all staff and hirers.

8. Emergencies and health and safety

The site manager and headteacher will undertake relevant risk assessments before activities are carried out on the premises to ensure the safety of the hirer and any additional visitors.

In case of an emergency, the on-site telephones can be used to call the emergency services.

A member of the health admin team will check first aid kits to ensure their stock levels remain high and, where necessary, restock the first aid kits with the relevant items.

The site manager will show hirers where first aid kits are should they be required.

A first aider is the responsibility of the hirer.

Smoking and Vaping is not permitted on the premises at any time.

Keys and/or security codes will not be passed to any hirer or other person without written permission from the governing board.

The site manager will ensure the site is clean and secure ready for the next day.

The school uses a 'three strike' rule when handling noise complaints lodged against hirers.

- **Strike one** – hirers will receive a verbal warning about their conduct on the school property and be warned that repeated offences will result in their booking privileges being suspended.
- **Strike two** – hirers will receive a second verbal warning and a letter explaining that the school takes a zero-tolerance approach to any excess noise. This letter will outline that any fines for noise that the school is issued may be passed on to the hirer if there is sufficient evidence to do so.
- **Strike three** – the hirer will be barred from booking the school premises for any activity for a period of two months. The governing board also expects the hirer to issue an apology to the school and complainant in writing.

The use of public announcement systems and loudspeakers must be agreed with the headteacher and site manager, this agreement must include a maximum noise level which is not to be exceeded.

The school's car park is available to hirers during their time on the premises; however, the governing board and school will not accept responsibility for any loss, damage or accident that may occur whilst the car park is in use.

Hirers will only use the car parking spaces allocated and, should any additional spaces be required, the site manager will find suitable spaces on the school grounds.

In the event of additional parking being required, the site manager will ensure the school premises remain accessible to the emergency services, should they be required.

Alcohol will not be brought onto, or consumed on, the premises unless the school holds a licence to sell alcohol and this has been agreed in writing with the headteacher.

10. Equipment

Hirers will identify any equipment they require from the school and detail this in their application form; hirers must seek permission from the governing board to use any additional equipment once the form has been submitted.

The site manager will conduct an inventory of all the equipment that the hirer requests, noting its condition. The site manager will review this inventory after the hirer uses the equipment to ensure its proper use.

Furniture and fittings will not be removed or interfered with in any way unless permission has been granted by the site manager or headteacher. Where permission has been granted, the site manager will oversee the move.

If a furniture move has been agreed, the hirer and site manager will negotiate restoring the premises back to its original state.

Any damage to equipment, furniture or the building will result in the hirer being charged the cost of any repairs or replacements.

Any seating provided is limited to the number of chairs on the premises.

Hirers are allowed to bring their own equipment on to the premises; however, they will be required to acknowledge this in their application form.

The hirer will ensure that any equipment that they provide meets the relevant health and safety standards.

The school cannot be considered responsible if any of the hirer's equipment is damaged, stolen or lost whilst being used on the premises.

CCTV systems will be used to monitor events and identify incidents taking place whilst the premises are in use, in accordance with the school's CCTV Policy.
