## Expectations

We continue to have high expectations of our children's behaviour during lessons and their presentation in books.

Each class has agreed on their rights respecting charter which will underpin conversations regarding choices.

## Flexible grouping

This year we are continuing with our flexible grouping approach to learning. This should minimise the amount of children moving classrooms but maximise support available during lessons. We endeavour to ensure that all children are with their class teacher for the majority of the day. Year 5 will meet regularly to discuss groupings and progress. This will only be for Maths sessions.

## Trips

In Autumn term we have arranged a Year 5 trip to Quarry Bank Mill linking to our History topic Victorian Manchester.

In Spring, we will be visiting a local Gurdwara linking to our RE. Over the Spring term we will also be working with Mel Jordan from CHS on a Shakespeare production as well as having “Portals to the Past” visit us and facilitate a session on the Ancient Greeks.

In Summer, we are hoping to visit Stockport Air raid shelter linking with our WW2 topic. We will also have a transition day at CHS.

We also hope to facilitate a VR experience for the children .

## Homework

Homework remains optional but we advise grown ups encourage participation.

We are continuing to encourage daily reading and we will be sending home book banded books where appropriate. All children will have a chance to borrow the Year 5 40 books and a reading journal.
